### Glimpse Of Save Girl Child programme Conducted On 7<sup>th</sup> august, 2018

The NSS Unit of College of Engineering and Business (COEB) organized a significant community service initiative titled "Save Girl Child Programme" on 7th August 2018. The event aimed to contribute towards the noble cause of promoting the Beti Bachao, Beti Padhao scheme and fostering positive change in the Lingipur Village community.

The primary objective of the program was to raise awareness about the importance of girl child education and to address the prevalent issues surrounding the girl child in the Lingipur Village.

### **Students actively taking part in the cause by donating pens, books etc**

To make the event more engaging, interactive sessions were conducted to encourage open discussions on the challenges faced by the girl child in the community. Volunteers actively participated in these sessions, sharing their insights and experiences. As part of the initiative, educational materials such as notebooks, pens, and other stationary items were distributed among the girl students of Lingipur Village. This gesture aimed to emphasize the commitment towards supporting their education.

### Glimpse Of AIDS Awareness Program On 2nd December 2019

The National Service Scheme (NSS) Unit of College of Engineering Bhubaneswar (COEB) organized a comprehensive AIDS Awareness Program under the HIV/AIDS Prevention Scheme on 2nd December 2019. The program aimed to educate and empower the community of Arilo Village with essential information about HIV/AIDS prevention, dispel myths and misconceptions, and promote a supportive and informed environment.

An interactive question-and-answer session was organized to encourage active participation from the community. Villagers had the opportunity to ask questions and clarify doubts, fostering an open dialogue and promoting a better understanding of HIV/AIDS.

### **Students drew and wrote several slogans related to aids awareness**

The impact of such initiatives extends beyond the event date, influencing attitudes, behaviors, and fostering a sense of responsibility towards the health and well-being of the community. The NSS Unit remains committed to organizing events that address critical health issues and contribute to creating informed and empowered communities.

Ref No. Glimpse Of Mental Health Awareness Conducted On 20<sup>th</sup> March 2019 Date

On March 20th, the College of Engineering Bhubaneswar hosted a significant Mental Health Awareness event, emphasizing the importance of mental well-being in academic settings. This vital initiative was graced by the presence of a special guest of honor, an expert in mental health, whose insights and guidance greatly enriched the discussions.

### **Guest of honor spreading thoughts on how to keep mental health sound**

The event featured interactive sessions, fostering a supportive environment for students and faculty to share experiences and learn from each other.

This not only served to destigmatize conversations around mental health but also equipped the college community with better understanding and tools to support each other's mental wellness.

### **Listening to the advices provided by the guest**

## Photo Gallery And Report Glimpse Of Dengue Awareness Conducted On 19th October 2019

The NSS Unit of College of Engineering Bhubaneswar (COEB) organized a Dengue Awareness Program at Srivandpur. Fueled by growing concerns about the spread of dengue in the region, this initiative aimed to educate and empower the community on preventive measures and safety protocols to combat the mosquito-borne disease.

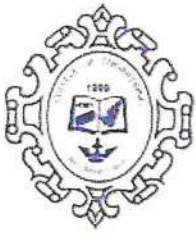

Spreading awareness through banners

To address the breeding grounds of mosquitoes, a community cleanup drive was organized. Volunteers and community members worked together to identify and eliminate stagnant water sources, potential breeding grounds for mosquitoes.

The Dengue Awareness Program had a positive impact on the Srivandpur community by increasing awareness and promoting proactive measures to prevent dengue. The engagement of NSS volunteers and community members in the cleanup drive contributed to the reduction of mosquito breeding sites, ultimately minimizing the risk of dengue transmission.

### Glimpse Of Awareness program on COVID-19 conducted on 3<sup>rd</sup> February,2020

The primary objective of the awareness program was to educate and raise awareness about COVID-19, emphasizing preventive measures, symptoms, and the importance of vaccination. The NSS Unit sought to empower the Matiapada Village community to make informed decisions regarding their health and safety.

### **NSS Unit spreading awareness through Banner and providing safety aids**

Practical demonstrations on proper hand hygiene, mask-wearing, and social distancing were conducted to ensure that community members understood and could implement these crucial safety measures in their daily lives. Safety kits containing face masks, sanitizers, and informational materials were distributed among the community members. This initiative aimed to promote the adoption of preventive measures and facilitate safe practices within households.

The awareness program had a significant impact on the Matiapada Village community, enhancing their understanding of COVID-19 and promoting responsible behavior to curb the spread of the virus.

## Photo Gallery And Report Glimpse Of Food Distribution on 8<sup>th</sup> November,2021

As part of our collective response to the COVID-19 pandemic and the ensuing challenges faced by communities, the NSS Unit of College of Engineering Bhubaneswar organized a significant food distribution initiative titled "Jagruti" at Nahala Village. The event, held on 8<sup>th</sup> November,2021 aimed to provide essential sustenance to the vulnerable population affected by the pandemic.

NSS volunteers worked diligently to procure essential food items, including rice, pulses, cooking oil, and other non-perishables. The items were then meticulously packaged into ration kits to facilitate easy distribution and ensure equitable access for all households.

**NSS Unit members of COEB serving food**

The "Jagruti - Food Distribution" initiative at Nahala Village proved to be impactful, addressing the immediate food needs of the community. The distribution drive ensured that vulnerable households received essential supplies, alleviating the economic strain caused by the pandemic. The accompanying COVID-19 awareness session contributed to the dissemination of crucial information within the community.

## Photo Gallery And Report Glimpse Of Medicine Distribution on 15<sup>th</sup> July, 2020

In response to the ongoing challenges posed by the COVID-19 pandemic, the NSS Unit of College of Engineering Bhubaneswar (COEB) collaborated with the Robinhood Army, Bhubaneswar, to organize a Medicine Distribution initiative at Gobindpur Village. The event, held on 15th June 2020, aimed to provide essential medicines to the community and address health-related concerns exacerbated by the pandemic.

### **NSS Unit distributing essential medicine to the village people**

The primary objective of the Medicine Distribution initiative was to ensure access to essential medicines for the residents of Gobindpur Village. With disruptions in healthcare services during the pandemic, the NSS Unit sought to bridge the gap and contribute to the well-being of the community.

The Medicine Distribution initiative at Gobindpur Village had a significant impact on the community's health during the COVID-19 pandemic. Access to essential medicines was facilitated, ensuring that residents had the necessary resources to manage common health issues and follow preventive health measures.

## Photo Gallery And Report Glimpse Of Distribution of Masks and Sanitizers on 27<sup>th</sup> May,2020

The primary objective of the initiative was to equip the residents of Patelikuda Village with essential protective gear - masks and sanitizers. With the continuous threat of the COVID-19 virus, the NSS Unit sought to promote preventive measures and create a safer living environment within the community.

### Distributing sanitizer

Prior to the distribution, a thorough needs assessment was conducted to understand the population density, the number of households, and the specific requirements of Patelikuda Village in terms of masks and sanitizers. To maximize the impact of the initiative, volunteers conducted brief demonstrations on the proper usage of masks and sanitizers. Informational pamphlets were also distributed to reinforce the importance of regular hand hygiene and mask-wearing.

## Photo Gallery And Report Glimpse Of Village Cleaning drive on 5<sup>th</sup> July 2021

The Village Cleaning initiative by COEB's NSS unit, in conjunction with the Swachh Bharat Abhiyaan, proved to be a resounding success. Held on 5<sup>th</sup>, the drive saw enthusiastic participation from volunteers from the college and the Balakati Village community. Beyond the physical clean-up, the initiative included workshops, emphasizing waste segregation, recycling, and sustainable practices.

The impact was palpable, with the village witnessing a noticeable improvement in cleanliness levels. The educational sessions resulted in increased awareness, prompting villagers to adopt responsible waste disposal practices. The event served as a platform for community members to actively engage in discussions about environmental stewardship. The initiative's success highlights the potential of collaborative efforts in community development. Moving forward, sustaining this momentum will require periodic follow-up activities, ongoing awareness campaigns, and perhaps the establishment of local waste management systems.

### Glimpse Of Women Empowerment on 14<sup>th</sup> November, 2021

The seminar on the "Role of Youth in Curbing Violence Against Women" organized by the NSS Unit of COEB was a commendable step towards empowering youth for Women's Empowerment under the "Beti Bachao, Beti Padhao" scheme. The event not only raised awareness but also inspired a sense of responsibility among the youth to actively contribute to building safer and more inclusive communities. Ongoing efforts and collaborations will be crucial in translating this awareness into tangible actions for the betterment of women in society.

**Memento To The Guest**

### **Objectives:**

- To educate youth about the prevalent issues of violence against women.
- To empower youth with knowledge and skills to prevent and address gender-based violence.
- To promote the active participation of youth in creating a safer community for women.

Renowned speakers and experts in the field of gender studies and women's rights shared insights on the root causes of violence against women and the role of youth in curbing it and Engaging discussions and Q&A sessions allowed participants to share experiences, voice concerns, and brainstorm solutions. The event aimed to raise awareness, engage youth in the fight against gender-based violence, and promote a more inclusive and secure environment for women.

### Glimpse Of Gyan Prasaran on 8<sup>th</sup> September,2021

The NSS Unit of College of Engineering Bhubaneswar (COEB) organized a comprehensive "Literacy Awareness Program" at Bilipada Village as part of the Gyan Prasaran scheme. The initiative aimed to promote literacy, encourage a culture of education, and empower the community through knowledge dissemination.

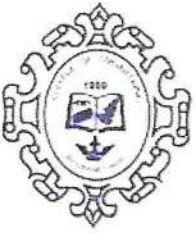

### **Giving students basic essentials for studying**

To foster community participation, interactive sessions were organized where community members could share their experiences, concerns, and aspirations related to education. This exchange aimed to create a dialogue around the value of literacy. The NSS Unit distributed educational materials such as books, pamphlets, and brochures containing information on literacy, available educational resources, and steps to enhance one's reading and writing skills.

The Literacy Awareness Program at Bilipada Village, under the Gyan Prasaran scheme, had a positive impact on the community. The initiative contributed to increased awareness about the transformative power of education, encouraged school enrollment, and provided valuable resources for ongoing learning.

GRAM SABHA MEETING - UNNAT BHARAT ABHIYAN (UBA)

Date: 31.03.2022

Venue: Bankamuhan, Napanga Panchayat, Bhadrak District

## GRAM SABHA

Gram Sabha meeting for Bankamuhan of Bhadrak District, has been conducted on 31st March 2022 by the College of Engineering Bhubaneswar (COEB). Bankamuhan is a small village in Bhandaripokhari Tehsil in Bhadrak District of Odisha, which is located around 30 Kilometers towards south from district head quarters Bhadrak. The meeting was conducted in the village on 31st March 2022. The volunteers of COEB had arranged the meeting in coordination with villagers. Some villagers of Malada, Jagganath Prasad, and Balipokhari also joined in the meeting.

The very purpose of the meeting was explained by the Shri Abhaya Kumar Mohanty, Development Officer. In his address he urged the villagers to cooperate with officials of the institute to achieve the greater objective of UBA. Villagers were extended their helping hands for the greater interests to their village. Some of the villagers were of opinion that development can only be a reality with mutual beneficial cooperation amongst all. The youth of this village are also quite excited with this development.

## PROBLEM IDENTIFIED:

Bankamuhan do not have proper irrigation facilities, even though some improvement in irrigation facility has happened recently.

Sometimes they encounter with scarcity of fertilizer.

For higher education they are largely dependent on Bhadrak.

For suitable employment each year youth of their village forced to migrate.

## VILLAGE & HOUSEHOLDS SURVEY

Soon after the village meeting, we started village household survey. With the help the local people, our volunteers visited each house to fill the datasheet and try to identify their concerns and available facilities. There are around 150 houses and total population will be within 700 to 800.

## GRAM SABHA

Gram Sabha meeting for Manjuri Village of Ranjit Panchayat, Bhadrak District, has been conducted on 19<sup>th</sup> April 2022 by the College of Engineering Bhubaneswar (COEB), to initiate Unnat Bharat Abhiyaan activities. We got the sabha venue which was a small open spece given by the Panchayat office. However around 100 villagers were participated along with village sarapanch. It appears a grand get-together of the entire village. The Coordinator of UBA put forward plans for the coming months village and household survey, the villages debate and discuss them, proposing ideas of their own. The mukhiya rose and read out the list of proposed problems for the Manjuri Village.

## PROBLEM IDENTIFIED:

Limited access to clean water resources in the manjuri village

Food insecurity due to frequent untimely rain and flood.

Lack of access to health care

Poor infrastructure, like roads, wells, irrigation system, storage facilities, agricultural machinery etc.

## VILLAGE & HOUSEHOLDS SURVEY

In the first week of December, we started village household survey. With the help the local people, our volunteers visited each house to fill the datasheet and try to identify their concerns and available facilities. It is a small village with around 40 households. It is located near Korai Railway Station. Agriculture is the primary income source. There are a large numbers of Scheduled Caste populations in the village

ACTIVITIES

Date:

**GRAM SABHA MEETING - UNNAT BHARAT ABHIYAN (UBA)**

**Date:** 24.08.2022

**Venue:** Napanga Village, Bhadrak District

GRAM SABHA

Gram Sabha meeting for Napanga village of Bhadrak District, has been conducted on 24<sup>th</sup> August 2022 by the College of Engineering Bhubaneswar (COEB). It is one of the villages in Bhandaripokhari Tehsil in Bhadrak District of Odisha State. It is located around 100 KM from COEB and around 28 KM from Bhadrak. The importance of this place is that it is the border of the Bhadrak and Jajapur Districts. The total population of this village will be around 1000 with 200 households.

The meeting was addressed by the UBA Coordinator Shri Partha Sarathi Ghosh. He told the villagers that the beginning of any good cause can be started at anywhere and by anyone. Here's we have an opportunity to contribute towards the development of Napanga Village. Any contribution is no small contribution. Together we can change the scenario. Some members of Village community also spoke on this occasion. The purpose of this meeting was discussed and modalities were framed.

**PROBLEM IDENTIFIED:**

- Water supply shortage is one key issue
- Unemployment is rampant
- Inadequate educational institutions
- Inadequate primary health care centre. People were largely dependent on Bhadrak.
- They are also witnessing frequent power cuts.

**VILLAGE & HOUSEHOLDS SURVEY**

Soon after the village meeting, a household survey was conducted. The volunteers were moved randomly to collect household data and information about the village. It is found that the female literacy is much less than that of males. There is a police booth in Napanga. Napanga Nodal U.P School, Chandimata High School, Naho Prymery School, Bandalo Madhiali Uchha Bidhapitha are some of the schools where this village is dependant. As this is a border village, it is well connected by road. There is a Bus stop at Napanga Village.

### Glimpse Of AIDS Awareness On 6<sup>th</sup> February, 2021 Date:

The NSS Unit of College of Engineering Bhubaneswar (COEB) took a proactive role in organizing an "AIDS Awareness Program" at Salia Sahi. This initiative, held under the HIV/AIDS Prevention scheme, aimed to educate and raise awareness about HIV/AIDS within the community. The primary objective of the AIDS Awareness Program was to disseminate accurate information about HIV/AIDS, debunk myths and misconceptions, and promote preventive measures within the community. The NSS Unit aimed to empower individuals with knowledge to make informed decisions about their health.

To foster community engagement, interactive sessions were organized, allowing community members to actively participate, share experiences, and seek clarification on HIV/AIDS-related topics. The aim was to create an open and supportive environment. An awareness rally was organized within Salia Sahi to visually emphasize the importance of the AIDS Awareness Program. NSS volunteers, along with community members, marched through the locality, carrying banners and placards with key messages about HIV/AIDS prevention.

**Rally by the students at Salia Sahi**

Such initiatives play a crucial role in eradicating stigma, promoting knowledge, and fostering a supportive community environment. The NSS Unit remains dedicated to organizing similar awareness programs to address critical health issues and contribute to community welfare.

## Photo Gallery And Report Glimpse Of Save Girl Child Program On 19<sup>th</sup> February,2021

The NSS Unit of College of Engineering Bhubaneswar (COEB) initiated a profound "Save Girl Child Programme" at Salepur Village, collaborating with the NSS Unit for Women Empowerment in Bhubaneswar. The program aligned with the national initiative "Beti Bachao, Beti Padhao," aiming to address gender disparities, promote the importance of girl child education, and empower communities to advocate for the rights of the girl child. The NSS Unit aimed to inspire positive societal change by challenging stereotypes and promoting equal opportunities for all.

Engaging sessions were organized to facilitate open discussions on gender-related issues, societal expectations, and the role of the community in fostering an environment that values and supports the girl child. The NSS Unit actively promoted girls' education by organizing a drive to enroll girls in local schools. Volunteers assisted in the enrollment process, providing information to parents and guardians about the available educational resources.

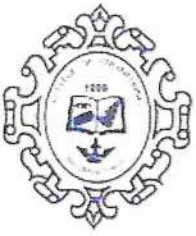

### Awareness for the salepur village

The Save Girl Child Programme at Salepur Village had a positive impact on the community, fostering a change in mindset and encouraging a more inclusive and supportive environment for girls. The initiative contributed to increased awareness about the importance of girls' education and the need to challenge stereotypes.

## Photo Gallery And Report Glimpse Of Polythene-Free awareness on 24<sup>th</sup> July 2022

The primary objective of the Polythene-Free Awareness Program was to educate the community about the adverse environmental effects of polythene and encourage the adoption of eco-friendly alternatives. The NSS Unit aimed to foster a sense of environmental responsibility and promote sustainable practices within the community. Interactive sessions were organized to facilitate discussions among community members. Participants shared their perspectives on the challenges posed by polythene and explored potential solutions to reduce its usage.

### Collection of plastics by our NSS Unit

In collaboration with local businesses, the NSS Unit distributed cloth bags as eco-friendly alternatives to polythene. This initiative aimed to encourage the community to use sustainable alternatives for daily activities. A community clean-up drive was organized to remove existing polythene waste from public spaces. This activity not only contributed to immediate cleanliness but also reinforced the message of responsible waste disposal. The NSS Unit remains dedicated to organizing similar programs that positively impact the communities it serves.

Glimpse Of Cleanliness Drive On 31<sup>st</sup> January 2022 Date: \_\_\_\_\_

The NSS Unit of College of Engineering Bhubaneswar (COEB) demonstrated its commitment to community service by organizing a "Cleanliness Drive" at temple. This initiative, conducted under the Samaj Seva scheme, aimed to promote cleanliness, hygiene, and a sense of responsibility towards maintaining a clean and healthy environment. The NSS Unit aimed to instill a sense of civic responsibility among the volunteers and promote the importance of a clean and hygienic educational institution.

**NSS Unit Cleaning at temple**

NSS volunteers actively participated in cleaning various areas of temple, focus was on removing litter, debris, and promoting a neat and tidy environment. In addition to cleaning, volunteers engaged in beautification projects such as planting flowers, arranging potted plants, and creating aesthetically pleasing spaces.

The Cleanliness Drive at Utkal University, under the Samaj Seva scheme, had a positive impact on the campus environment. The initiative contributed to an immediate improvement in cleanliness, raised awareness about waste segregation, and fostered a sense of community responsibility.

Glimpse Of Dental Check-up Camp On 28<sup>th</sup> February 2023 Date:

The primary objective of the Dental Check-up Camp was to offer free dental check-ups to the community, emphasizing the importance of oral health and hygiene. The NSS Unit, in collaboration with Hi-Tech Hospital, sought to address dental health concerns, promote preventive measures, and create awareness about maintaining good oral hygiene practices. Trained dental professionals from Hi-Tech Hospital conducted comprehensive dental screenings and check-ups for community members. The focus was on identifying dental issues, providing consultations, and offering guidance on preventive measures.

**NSS Unit discussing about good oral hygiene practices**

Informational sessions were conducted to educate participants about proper oral hygiene practices, the importance of regular dental check-ups, and common dental issues. Educational materials were distributed to reinforce key messages. The Dental Check-up Camp, under the Samaj Seva scheme, had a positive impact on the community. The initiative provided essential dental healthcare services, raised awareness about oral hygiene, and empowered individuals to take proactive steps towards maintaining good oral health.

Glimpse Of Campaign Against Child Marriage On 16<sup>th</sup> October 2022

Date:

The NSS Unit of College of Engineering Bhubaneswar (COEB) joined hands with Ruchika Social Service Organisation to organize the "Child Marriage Free India Campaign" under the Jagruti scheme. This initiative aimed to raise awareness about the detrimental effects of child marriage, advocate for its prevention, and contribute to building a society that ensures the well-being and rights of every child. Educational workshops were conducted to inform community members about the negative impacts of child marriage on the physical, emotional, and social well-being of children. Experts in child welfare and legal representatives were invited to share insights.

**Child Marriage Free India Campaign**

The Child Marriage Free India Campaign, under the Jagruti scheme, had a positive impact on the community. The initiative contributed to increased awareness about the harmful effects of child marriage, encouraged community dialogue, and fostered a collective commitment to preventing this practice. Such initiatives play a crucial role in advocacy, awareness-building, and community engagement to eradicate harmful practices. The NSS Unit remains dedicated to organizing similar campaigns that positively impact the communities it serves.

The primary objective of the Dengue Awareness Program was to raise awareness about Dengue, its causes, symptoms, and preventive measures. The NSS Unit aimed to engage the community in a collaborative effort to eliminate mosquito breeding grounds, promote a safer living environment, and empower individuals to take proactive steps to prevent Dengue. Interactive sessions were organized to engage community members actively. Participants had the opportunity to ask questions, share their experiences, and discuss practical ways to prevent Dengue in their surroundings.

### **Our NSS Unit members spreading awareness at Pathargadia**

Practical demonstrations on mosquito control measures were conducted, emphasizing the importance of eliminating stagnant water and maintaining a clean environment to prevent mosquito breeding.

Such initiatives play a crucial role in promoting health education, encouraging preventive measures, and fostering a proactive approach towards well-being.

This initiative aimed to raise awareness about cancer, its risk factors, preventive measures, and the importance of early detection for the well-being of the community. The NSS Unit aimed to empower individuals with knowledge to make informed decisions regarding their health.

Along the residence of balakati our members of NSS Unit

Informative workshops were conducted to provide comprehensive information about different types of cancer, risk factors, symptoms, and preventive measures. Medical professionals and experts in oncology were invited to share their insights. An awareness rally was organized, where NSS volunteers and community members marched through Balakati Village carrying banners, placards, and posters with messages about cancer awareness, prevention, and early detection.

The initiative contributed to increased awareness about cancer, empowered individuals with knowledge, and encouraged a proactive approach towards health and well-being.

## Photo Gallery And Report Glimpse Of Save Water, Save Life Awareness On 22<sup>nd</sup> March 2022

This initiative aimed to raise awareness about the importance of water conservation, promote responsible water usage, and empower the community to contribute to the sustainable management of water resources. The primary objective of the Save Water Save Life Awareness Program was to educate the community about the significance of water conservation in ensuring a sustainable future. The NSS Unit aimed to foster a sense of responsibility and promote simple yet impactful measures for water conservation.

### **Rally through the area to create awareness**

Interactive sessions were organized to engage community members actively. Participants had the opportunity to share their perspectives on water usage, discuss local water-related challenges, and explore solutions. It contributed to increased awareness about water conservation, inspired community engagement, and fostered a sense of responsibility towards preserving water resources. Such initiatives play a crucial role in promoting responsible environmental practices, creating awareness about vital issues, and inspiring positive actions.
